

## **Deanery synod report 2019-2020**

The last meeting to have notes issued was on Monday 18th March 2019 at St John's High Legh when the Synod was given a presentation on clergy well-being. Ian Blay was going to pass the information around for Knutsford Synod churches to peruse. Also received was a report on Ministry for Children and Young People which had come down from General Synod. General Admin and parish reports where they pertain to St Oswald's covered Jane's departure which is covered in more detail in our own PCC report. Lay reps were still required for Diocese and the Synod.

The last scheduled meeting attended by Mandy Spencer was held on 3rd September 2019 at Mobberley School- there were brief news reports from the parishes. The Deanery pastoral committee had just one lay vacancy to fill. There was confirmation that consultations were taking place (the PCC report would cover this) on the future composition of parishes in our area. Among the parish feedback was the success of St Oswald's Flower Festival. No Synod notes were issued on this.

There was a meeting scheduled for 14th November 2019, nothing further was heard about it and no minutes were received . Mandy did not attend, possibility it was cancelled as again no report was received.
